

Dr. Frank Bahr, Germany, detected more than 14 major bio-frequencies and Chakra frequencies. He was a student of Dr. Nogier and is today the President of the largest German acupuncture society (DAA). The Bahr frequencies correspond to ear points, body acupuncture, three skin tissues layers, and the nervous system. The most important of his frequency discoveries are BAHHR 1, BAHHR 2 and the Chakra differentiations.

The frequencies are pre-programmed in the RJ laser devices and new frequencies will be added to the RJ therapy software.
